I never felt magic crazy as this
D Em7
I never saw moons knew the meaning of the sea
D Em7
I never held emotion in the palm of my hand
D Em7
Or felt sweet breezes in the top of a tree

But now you're here
A C G D Em7 D Em7
Bright in my northern sky

D Em7
It's been a long time that I'm waiting
D Em7
Been a long time that I'm blown
D Em7
been a long time that I've wandered
D Em7
Through the people I have known
Asus4
Oh, if you would and you could
A C G D Em7 D Em7
Straighten my new mind's eye

D Em7
Would you love me for my money
D Em7
Would you love me for my head
D Em7
Would you love me through the winter
D Em7
Would you love me 'til I'm dead
Asus4
Oh, if you would and you could
A C G D Em7 D Em7
Come blow your horn on high

D Em7
I never felt magic crazy as this
D Em7
I never saw moons knew the meaning of the sea
D Em7
I never held emotion in the palm of my hand
D Em7
Or felt sweet breezes in the top of a tree
Asus4
But now you're here
A C G D Em7 D Em7
