

# Wine with Dinner

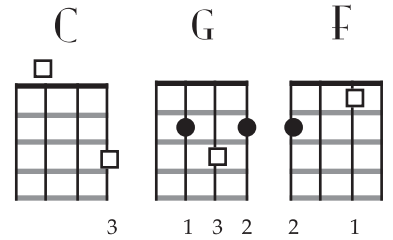

Loudonn Wainwright III  
T Shirt (1975)  
Capo

C  
Don't know who I insulted  
G  
Maybe it was you  
The drink I had  
C  
resulted in a tirade or two  
I went down to get in trouble,  
F  
I accomplished that  
G  
Drank some drinks, flew off the handle  
C  
Right off of the bat

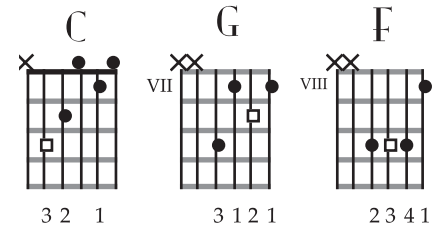

Call me what you like  
G  
But when I'm sober call me loudon  
C  
Do not call me Mike

## CHORUS

C  
They say the drink will shrivel my liver  
G  
And also wreck my looks  
But my hero is Dino Martin

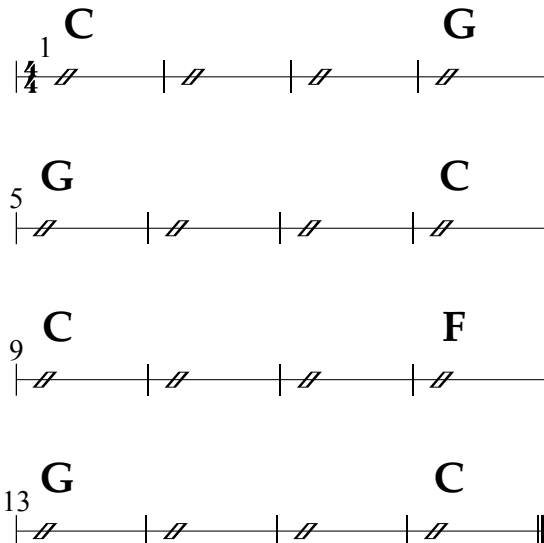

C  
And I like Foster Brooks  
C  
I know a little cozy spot

F  
Where you and I can go  
G  
Let's us spend a lost  
C  
weekend under the volcano

## CHORUS

♩ = 116

C  
Drinks before dinner, wine with dinner  
G  
After dinner drinks  
G  
Single entendre, help me Ronda  
G7 C  
Look for my cufflinks  
C  
Come with me & you will see  
F  
That it all will be alright  
G  
Rudolph the red nosed wino is gonna  
G7 C  
guide my slay tonight

C  
Some times when I drink too much  
G  
The next day I can't think  
Sometimes when I drink too much  
C  
The next day I can't drink  
Sometimes when I drink too much  
F  
I feel like throwing up  
G  
And sometimes when I drink too much  
C  
I cannot get it up

## CHORUS

C  
Keep your hemp & your mushrooms  
G  
Your smack & nebutal  
Me I'm into fruit & grains  
C  
Give me alcohol  
Call thirsty, call me oral  
F
