

Rock 'n Roll Song

Valdy
Country Man (1972)
No Capo

D C
I came into town as a man of renown
G D
A writer of songs about freedom and joy
D C
A hall had been rented and I was presented
G D /C /B
As the kind of a singer all could enjoy

D C
As I climbed up the stair to the stage that was there
G D
It was obvious something was missing
D C
I could tell by the vibes they wouldn't be bribed
G Em A
They weren't in the mood to listen#

D C
They yelled out, Play me a rock 'n' roll song
G D/F# Em A
Don't give me songs about freedom and joy
D C
Play me a rock 'n' roll song
Em A D /C /B
Or don't play me no song at all

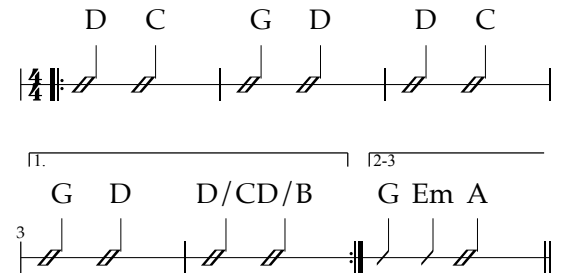

D C
I played them some songs about peace and contentment
G D
And things that I've come to believe in
D C
When I was through to a chorus of boo
G Em A
Some track star yelled thank God he's leaving

D C
Now someone play me a rock 'n' roll song
G A G A
I've had it to here with your flowers and beads
D C
Play me a rock 'n' roll song
Em A D
Or don't play me no song at all

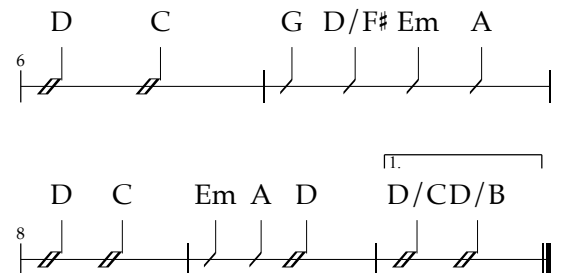

D C
Well if I played you a rock 'n' roll song
G D/F# Em A
How could it be fair 'cause my head isn't there
D C
So I'll leave you with your rock 'n' roll songs
Em A D
And make my way back to the country

Verse

Chorus

D C
Still I hear play me a rock 'n' roll song
G D/F# Em A
Don't give me music I don't want to hear
D C
Play me a rock 'n' roll song
G D/F# Em A
I should have stayed home with a big case of beer
D C
Play me a rock 'n' roll song
Em A D
Or don't play me no song at all
